**DEED RESTRICTIONS**—The purpose of today's Workshop is to review Deed Restrictions in preparation for a vote of the Trailer Estates property owners in December 2012. Eighteen Deed Restrictions were considered. Changes made to them were immediately typed into the computer by Martha during the Workshop and are attached to these minutes.

### **PUBLIC COMMENT**

Mike Neal, 6619 CA—Questioned whether renters would be included in Deed Restriction #11. Fences in the Pet Section are on the property line. Mike wondered if that would be allowed to continue. Could permits be placed in the windows of homes so all could see that ARC/County permits have been obtained for work being done on residents' property?

The Workshop was adjourned at 1:03 p.m.

Respectfully submitted,

Gail Opper, Secretary
